WELCOME

CBCA QLD READERS CUP COMPETITION

Hi to our coordinators from last year and welcome to our new ones. Thanks for offering to be a Regional Coordinator this year. Those of you who were involved last year will know what a thrill it is and just how much the kids gain from being involved.

Your first point of contact for this year is Jenny Stubbs. Jenny manages the website and all registrations. She will be in touch with you throughout the project to pass on information and to answer any questions. Jenny is also contact for Year 5-6 State Finals.

Trish Buckley is contact for Year 7-8 State Finals.

Contact details are:

Jenny Stubbs gldreaderscup@cbca.org.au Phone 0409 266 786

Trish Buckley gld@cbca.org.au Phone 0415 811 569

To help you and to answer any queries you may have, the CBCA Readers Cup administration group have put together this kit.

GENERAL INFORMATION

The registration fee for 2019 will remain at \$35 per team. Please note we will increase this fee in 2020 to \$40. Corporate members enter teams for free.

Some regions allow more than one team to enter. Please notify us if you intend to allow more than one team per school.

Teams are limited to five members, four plus one reserve. They should fall within the year level in which they enter but it is at the discretion of the school to enter a student from a lower year level if the school finds it difficult to form a team.

Message to pass on to your regional team contacts to encourage students to work together to prepare for the competition and not have adult tutoring:

The motivation for the Readers Cup is to get kids reading and to let the readers in our schools have an opportunity to shine. To be the winner is a wonderful achievement BUT every kid will be a winner if they have enjoyed the experience and have read titles they may not have encountered before.

We cannot emphasise enough that this must be an enjoyable experience for the children in their reading and the sharing of the books with each other. We expect teams to prepare themselves and have no adult coaches. This will empower the teams to motivate and organise themselves which we believe is part of the Readers Cup experience. We hope you will respect this decision and have adults encourage from the sidelines rather than lead from the front.

Our role as the organising committee

Our responsibilities to Regional Coordinators are to

- ❖ Manage registration of schools and teams
- ❖ Provide lists of teams to regional coordinators
- ❖ Enable web access to the management portal
- ❖ Keep an accurate record of all money collected and expended
- ❖ Provide suggested titles for regional finals where possible
- ❖ Assist in sharing questions between regions
- ❖ Provide each region with a budget to help run the regional competition
- ❖ Provide certificates for each team member who participates in a regional event
- ❖ Provide a perpetual trophy for each region
- ❖ Be available to support and advise the regions or individual teams
- ❖ Answer any queries that anyone has
- ❖ Promote and publicise the Readers Cup Competition

Our responsibilities to regional winners are to

- ❖ Organise and run the Readers Cup State Final Competitions
- ❖ Provide a set of books for each team competing in the State Finals
- ❖ Provide information about the State Finals' procedures and expectations
- ❖ Provide medallions for up to 5 team members at the State Final
- ❖ Provide individual trophies for members of the winning team and runners-up at the State Final and a trophy for the winning team
- ❖ Provide monetary prizes when sponsors can be found

Your role as Regional Coordinator

Your main responsibilities include:

- ❖ Organise and run your region's Readers Cup with the help of a committee – venues, dates, books, judges, prizes, quizmaster, collecting regional trophy from previous winners.
- ❖ Hand over the set of books to the winning team (or notice of titles) announcing sponsorship of publishers of those books.
- ❖ Ensure that details of the winning team are sent to CBCA contact person as soon after the regional competition as possible and that the winning team knows the date and venue for state finals.
- ❖ Ensure the winning team understands the level of sponsorship provided by CBCA Qld to assist regional teams to attend state finals and how to claim that funding support.
- ❖ Assist with fundraising where possible to help regional teams to attend state finals.
- ❖ Keep an accurate record of your finances and send paid invoices to the CBCA (Qld Branch) Treasurer to account for the money allocated to you to be spent. Your diligence in this is most appreciated.

Organising Hints

- ❖ Ask the team contacts to each read one book and submit 6 -10 questions for the book by a set time. Rate the questions as easy, middle or hard. They must provide page references and answers. The regional coordinators or committee or judge of that book selects questions from those submitted.
- ❖ Questions not used for the competition or kept for tie breakers could be sent to schools to use as practice questions. Some of these questions could also come from preface or authors notes.
- ❖ Share questions with other regions who are doing the same books.
- ❖ Look on the website for sample questions.

Sample Template to gather questions

2.	How did Amanda surprise Ro when she met her at the school gate the morning after sports day?	<i>She was able to use sign language when she communicated with Ro (but not very well!).</i>	p. 34	Ability with sign language 1 used this for communication 1

[p. 71] Who said this about Ro and what two afflictions were being referred to?	<i>Mrs Cosgrove about Ro's muteness and her father.</i> NOTE: Even if the speaker is incorrectly named, the two afflictions can still be correct.	p. 71	Mrs Cosgrove (OR Amanda's mum) 1 Ro's muteness $\frac{1}{2}$ Ro's father $\frac{1}{2}$

Checklist for organising a Regional Readers Cup Competition

- ❖ Invite neighboring libraries/schools to a meeting to organise the competition.
- ❖ Decide which books will be used in the regional competition and notify Jenny Stubbs qldreaderscup@cbsa.org.au so they can be listed on the website. If you choose titles that other regions do, then there will be more opportunity to share questions. Try to select a range of genre and reading levels as some smaller schools have fewer students from which to select a team. Ensure books are in print before publishing your list.
- ❖ Organise who'll prepare questions for each of the books. Use the question template to send copies of questions to Jenny Stubbs. NOTE: Those writing questions and with knowledge of the questions should not pass this information on to their students.
- ❖ Organise the date of the Regional Readers Cup Competition and the venue – Will a local school/library host the competition or do you need a hall?
- ❖ Notify the State Committee of your dates and venue by 15th February.
- ❖ Contact schools as they register and ensure that they know what books need to be read and when and where the finals will be held. If necessary, create a brochure to send to the schools.
- ❖ Organise a Quiz Master for the occasion. This can be a local author if available.
- ❖ Organise a bookseller for the event. Sell books by competition authors and other titles.
- ❖ Organise additional prizes as required. It's sometimes fun to ask extra audience questions on any literary topic in between rounds to give judges time to mark. One source of extra quiz questions could be from the Kids Lit Quiz site www.kidslitquiz.com/sample-questions
- ❖ Invite an author or other special guest to present the prizes if possible.
- ❖ Organise judges, timekeeper, scorer, data-projector, answer and scoring sheets, pencils, chairs, small tables or clipboards for teams.
- ❖ Prepare questions for the quizmaster to read out.

- ❖ Prepare questions with answers and notes on scoring for judges.
- ❖ Decide if there is to be supper/morning tea.
- ❖ Publicize the event in each school/library and the wider community.
- ❖ Commence fundraising if travel and accommodation costs are needed.
- ❖ Check that teams have paid prior to the competition. Please remind them if they haven't paid.
- ❖ Send results (and photos if possible) to the State Committee with a report and provide the winning team with relevant information for attending state finals.

Finances

We ask each team for a registration fee of \$35 except for corporate members. If regions need to raise funds to send a team to the state finals it is suggested that they start fundraising as soon as possible. You could approach your local community groups for sponsorship even if you don't know which team will be representing your region.

Allocation

A maximum of \$300 per competition per region as discretionary funds will be allocated. If you run both 5-6 and 7-8, then you can claim \$600. You will be reimbursed for money spent up to your allocated amount. We will keep accurate records of what you spend and will not pay any invoices once your \$300/600 limit has been reached. Any funds not spent by regions will be allocated to regional groups who require assistance with travel and accommodation.

What to spend it on

Your money can be spent on anything that you need to host your Regional Competition. If you are not sure please check with us before spending it, but the guidelines are very broad.

Suggestions for spending your money

- ❖ Venue hire
- ❖ Guest author/speaker
- ❖ Prizes, cups, medallions - remember that CBCA Qld Branch pays for medallions that are given to each regional team member who competes at the state final and also for the certificates that are given to each team member including one reserve at the regional events. There is also a perpetual cup to be handed on each year.
- ❖ Programmes

Accountability

As we are accountable for all monies collected from the teams, we need your assistance in maintaining accurate records. Your diligence in keeping account of what you spend and sending it to us promptly will be most appreciated as we can then calculate early what remains to be distributed to assist remote areas.

When you have paid for something please forward the paid invoice/receipt with expenses claim form to the address below. We will accept invoices also but make sure it is marked with your region and has been verified by you for payment. Please submit claims for payment by the end of Term 2 if possible.

Send invoices/receipts to:

or email: qld@cbca.org.au

GST

If you have any queries about the Goods and Services Tax let them know that it does not apply in this case as the CBCA Qld Branch is a small organization and is currently not registered for GST.

Format for Regional Competitions

Regional Competitions should follow this format to be consistent with the State Finals:

1. Welcome – Acknowledge CBCA (Qld Branch) and any local sponsors
2. Rules of the Competition
3. Introduction of Quizmaster/s
4. Introduction of teams
5. Five or Six rounds of questions with each round having one question from each book
 - i. Teams of four sit around one small table or just in a cluster of chairs with clipboards. If there are reserves they are seated together on the side or front row of the audience.
 - ii. Students may confer to write the answer to the question on a prepared answer sheet.
 - iii. Students are normally given 30 seconds to complete their answer. The competition allows more time for some questions that require more writing.
 - iv. Answers are collected at the end of each round. They are given points for their correctness. (All questions have equal scores with 2 points for a correct answer and part points for an incomplete answer.)
 - v. Teams may substitute a member at the end of any round.
6. Scores tallied - Progressive scores may be announced throughout the event.
7. Talk by guest author/quizmaster as scores are tallied
8. Tiebreakers if needed
9. Final scores - Team with the highest score goes to the state final.
10. Presentation of Medallions and Trophies,
11. Books for sale and author signings

Running a regional competition with concurrent Year 5/6 and 7/8 or 7/8 and 9/10 Program

North Qld have run their Readers Cup a little bit differently from a strictly primary or secondary competition. They select 3 titles for primary only, 3 for primary and secondary and 3 for secondary only. They then have the one competition on the same night - which saves a lot of administrative organization and time. They also fundraise on the night to send their teams down to Brisbane. It has worked really well for them, so they can highly recommend that way of conducting a joint competition.

Somerset-Lockyer also organizes a joint competition for their region during school hours and uses 5 books with two common titles.

Judging Guidelines

Depending on the number of teams, it is wise to have at least three judges. Allocate each judge one set of questions to mark, e.g. Judge 1 marks all answers for books/questions 1 and 2, Judge 2 marks all answers for books/questions 3 and 4 and Judge 3 marks all answers for books/questions 5 and 6 in every round. As long as each judge marks consistently, then there should be no variations in marking the same questions. Where possible you can have one judge per book. Year 5-6 State Finals had 5 books and 5 judges in 2018. Judges need to be familiar with the books they judge.

If during the competition any team has any issues with answers or scores that are announced progressively, the coordinator should be made aware of the issues and they should be dealt with as soon as it is feasible to do so. At the end of the event, once the winners have been announced, there should be no challenges made to scoring, and no re-marking done.

How to involve reserves

Reserves have usually put as much effort into the preparation of the team as the others. Regions should allow teams to substitute their reserve for another team member at the end of any round. You can also involve them in collecting the questions to hand to judges.

Prize-giving

Many regions offer book prizes to the top scoring teams or all teams, depending on the number of teams in the competition and how far the budget can be stretched. These books could be sourced from donations and at a discounted cost from local booksellers. [The Book Warehouse](#) in Albion, Brisbane is a strong supporter of Readers Cup and warehouse sales at [Scholastic Warehouse](#) are another option. They are usually held in February/March, June and November. Identify yourself when you go in to say what you are looking for to see if they can help out. You may need to go a few times to build up stock.

Instead of leaving book presentations to the end, you can do it between rounds. They could be given to the top team in each round, but a team may only win books once, so if they are top a second time, it goes to the next highest scoring team that has not won books. If book supply is limited, you can either use a tiebreaker to decide who wins the books for the round or do a lucky draw. If you have a good supply, then give to each team with the highest score.

Small cups for the winners plus medallions for runners-up normally adds up to around \$100. A couple of places to order medallions and cups are Trophy Stop (used by Ipswich, Somerset, Brisbane West and State) - Damian and Sue Weibler weibler@bigpond.com (medallions around \$6 and cups \$8 which can include CBCA logo and includes engraving and ribbons on trophies) and Oz Sports Trophies, Underwood (medallions around \$4.50 and cups \$10). Winning teams will be given participation medallions when they go to state finals.

Quizmasters

Some local authors are willing to act as quizmaster for free but if your budget can pay a small fee, it is good to offer. The quizmaster can talk to the teams towards the end while final scores are being tallied. Allow about 20 minutes for this. Invite a local bookshop to sell books by your guest author, or other books by the authors of the books in your competition. If the bookshop offers 10% commission, ask if they can provide gift vouchers as prizes to the winning team/s.

Feedback

We love feedback and photos from the regions to go in CBCA newsletters and on the website. It's a good idea to ask teams how much they enjoyed the books. You could handout a form listing

How much did you enjoy reading these books? Rate each book from 1 to 6, with 1 being not very enjoyable and 6 being most fantastic. Tick in the relevant box beside each title.
Do not rate books not read.

Title	1	2	3	4	5	6
Grimsdon						
A Single Shard						
Dragon Keeper						
The Ghost at the Point						
Horrible Harriet's Inheritance						
Five Times Dizzy/Dancing in the ANZAC Deli						

Name: _____ School: _____

the titles asking them to rate the books. e.g.

Alternatively you can set up a Survey Monkey to gauge responses plus other feedback.

Information to provide to the winning team

The winning team is invited to take part in the State Final in Brisbane representing their region. If the winning team is not able to attend, the team that came second would be invited instead. The winning team is provided with one set of books for the State Finals, provided by the publishers of the books.

We expect the State Finals will be held during Brisbane Writers Festival between 3 - 6 September.

The winning team needs to send the names of their team members to the State Finals Coordinator.

Winning teams from the following regions will be given assistance by CBCA Qld Branch of up to \$1000 per team to come to Brisbane. The winning school needs to send an invoice to qld@cbca.org.au for that amount of money to cover costs of attending Readers Cup Finals.

Capricornia 5/6

Far North Qld Cairns 5/6
Far North Qld Cairns 7/8
Mackay 5/6
Mackay 7/8
North Qld Townsville 5/6

Winning teams from the following regions will be given assistance by CBCA Qld Branch of up to \$550 per team to come to Brisbane. The winning school needs to send an invoice to qld@cbca.org.au for that amount of money to cover costs of attending Readers Cup Finals.

Roma 5/6
South Burnett 5/6
Wide Bay 5/6
Wide Bay 7/8

Brisbane Writers Festival will reserve some tickets for their Wordplay program for regional teams to purchase but they need to contact UpLit/ BWF as soon as possible after winning to ensure they obtain tickets quickly or QWF will sell them to other customers. Contact: Ella Peile

ella.peile@uplit.com.au and look for program details: <https://bwf.org.au/> Tickets go on sale in May so it is wise to buy tickets as soon as possible as they do sell out.

Regions could choose to purchase tickets in advance with their allocation of funds to ensure they have tickets ready to present to the winning team.

Prizes: The members of each team competing at State Finals will receive a medallion. Winners and runners-up receive small cups. The winning team will receive a cup and a financial prize when sponsorship is available. Separate prizes are given for digital responses/booktrailers.

Accommodation in Brisbane can be found in the West End area such as Hillcrest Apartments in Vulture Street. Some have stayed at the YHA.
